

## CONSENT FORM

**Title of research project:** A Survey-Based Study to Develop a Corpus of Natural Language Queries for Smart Building Interaction

**SREC reference and committee:** COMSC/Ethics/2025/044

**Name of [Chief/Principal Investigator] [lead researcher]:** Suhas Devmane

Please initial box

I confirm that I have read the information sheet dated 24/11/2025 version 1.1 for the above research project.

I confirm that I have understood the information sheet dated 24/11/2025 version 1.1 for the above research project, and that I have had the opportunity to ask questions and that these have been answered satisfactorily.

I understand that my participation is voluntary, and I am free to withdraw at any time without giving a reason and without any adverse consequences (e.g. to medical care or legal rights, or my course/degree progression, if relevant). I understand that if I withdraw, information about me that has already been obtained will be removed and I will be confirmed the deletion.

I understand that data collected during the research project may be looked at by individuals from Cardiff University or from regulatory authorities, where it is strictly necessary and/or relevant to my taking part in the research project.

I understand that my personal information if found anywhere such as consent forms, will be processed for the purposes explained to me, as set out in the information sheet. I understand that such information will be held in accordance with all applicable data protection legislation and in strict confidence, unless disclosure is required by law or professional obligation. I have been informed of my rights under data protection legislation and how I can raise any concerns.

I understand who will have access to any personal information provided, how it will be managed, and what will happen to the data at the end of the research project.

I understand that excerpts and/or verbatim quotes from any submitted questions/responses may be used as part of the research publication but that I will not be identified/identifiable.

I understand how the findings and results of the research project will be written up and published.

I agree to take part in this research project.
